A Season for Change

2024 is the Year of the Open Door

Change, change, change! That's what we're seeing at Hope For You this year. H4Y exists to increase the life flow of others. Our new year change begins with a re-brand. This new logo represents the change in how we will support others in this next season. H4Y will be focusing on providing supportive training, outreach and services to help others discover their purpose and fulfill God's will for their lives. There are so many new things coming we're not quite sure how to prioritize the outreach of our mission, but we know the time is right and the Lord is leading the way.

The second big change is we now have a new office at the Center for Non-Profits in Rogers, Arkansas (picture above). This is an amazing opportunity as there are over 50 non-profits sharing space under one roof. It allows for co-laboring and partnering with other like minded organizations. It also provides space for classes, trainings and meetings. We have already begun organizing meetings and classes to help impact the region and nations. H4Y is looking forward to this next season and the doors that God has opened.

Welcome to 2024!

Since 2006 H4Y has mainly focused on the support and ministry to widows and children. This year marks the first time the Lord has shown us to add other ministries we've been doing to our priorities. It's a huge shift for us, but we are very excited. In 2024 we will see a big change in what we do. This year's newsletter is focused on these ministries of H4Y. We hope you are encouraged to pray for us and even support us by donating time and also your financial gifts. 2024 will be a critical year for the Kingdom. So, Let's get to it!

Thankful for Kindness

Love is kind (Chased) and we are thankful for 2023 it was a season when the light of God revealed opportunities how to love people. Ephesians 5:9b CJB says, "For the fruit of the light is in every kind of goodness, rightness, and truth. Compassion and kindness are done with actions and words. This is a new year and the light of Kindness will shine.

Prayer is a form of kindness and it increases our faith to believe prayers will be answered.

Resources and giving money are acts of kindness and we believe the people God has given us all provisions will be provided and our needs will be met and overflowed.

Time is an act of Kindness and comes in many different forms; visiting a sick person, listening to a person in need, or sending a note of encouragement. Kindness is mentoring. We are in a season where people need folks who will guide them to understand the purpose God has for them. It's called discipleship. This has occurred with many people abroad as well within the surroundings God has placed in our lives.

We are thankful for your kindness to Hope For you and may His light of kindness overflow to everyone you encounter in 2024.

Man 2 Man - Love the Brotherhood

1 Peter 2:17 "Honor everyone. Love the brotherhood. Fear God. Honor leaders."

Beginning February 10th H4Y will begin Man-2-Man a men's gathering to build relationships find areas in the community to support and to learn about healthy leadership, finances, how to support our families and be trained for the work of ministry. The scriptures declare that love and honor are values that men should live by, but we need examples to follow and opportunities to do it. When men come together, big things happen! 7:30 AM 2nd Saturday each month at the H4Y office.

VISITING WIDOWS IN THEIR EVERY DAY CHALLENGES

The ministry to widows has long been a passion of H4Y. The bible declares that ministry to widows and orphans is the start of our love for God. We have been supporting about 30 widows in Kenya for 10 years now. Food, blankets, medical care and whatever other needs arise, H4Y has worked alongside Lucy Mutinda and her team to provide. In 2023, H4Y began helping widows locally as well. In 2024, H4Y is looking to increase support for local widows by providing food vouchers that will allow them to shop at Walmart to get things they need rather than force certain items on them. H4Y exists to increase the life flow of others. Without embarrassment. With the Lord's help, we will continue to support these ladies.

Loving the Children

Hope For You has been supporting the children of Huruma Children's Home since 2014 when we took 500 pairs of shoes to them. We talk to Mama Zipporah weekly to get updates and learn of the needs of these kids. This is an amazing home with a full school, church and farm and the children all help care for the land. In 2024 H4Y would like to highlight the opportunity for people to sponsor a child. The cost is \$40 a month and will cover all the expenses for one child including clothing and school expenses. H4Y will oversee the process and connect people to a child and help with the communication each month. Not only is this a great way to help a child it's really a fun experience connecting with someone in a different country.

Torah Club

If you've ever watched the show "The Chosen" then you've probably been drawn into the reality that Jesus was Jewish living among other Jews and the scriptures also come from those Jewish roots. We are part of a bible study that teaches the scriptures from a Jewish perspective so that we might understand them more clearly. It's called Torah Club. The teachings of the scriptures. H4Y is committed to helping others learn about Jesus and the scriptures. There is a book for each week that everyone reads and then we come together to discuss the lessons. Great discussions occur each week. Please contact us here at H4Y if you're interested in learning the Bible with others.

Worshipping Warriors

Hope For You will begin having a monthly service at the Center for Non-profits. The service will consist of worship and the word as we press into the heart of God with joy and celebration. We believe it will be a time of breakthrough with healing, deliverance and kingdom centered praise.

Services will be on Sundays at 10AM and more details to come on the beginning dates. We look forward to worshipping together.

1

SPONSOR A CHILD

Make a difference in the life of a child by sponsoring an elementary school age child. You'll be amazed at how far \$40 can go to make a life changing impact in a Child's life. Contact us at H4Y or go to our website to get started.

2

HOPE FOR YOU WEBSITE

Over the next few weeks we will be updating and rebranding our website to reflect all the changes and ministries of H4Y. Please check out <http://hope-4u.org> in the next few weeks to see the new website.

A NEW PODCAST

"There's Got to Be More!"

Look for the new Hope For You Podcast starting in early Spring 2024. We'll be discussing the journey of faith from our early Pentecostal roots to our Messianic discoveries.

Supporting Missions

Hope For You is not just a mission organization that travels to different countries to bring the gospel and to support those communities. We also support other mission organizations. We can't be everywhere and we certainly can't do everything so H4Y partners with friends who are in locations we feel called to help. We send monthly support to numerous organizations in their mission to make a difference here locally and around the world.

INDIA - Light to the Nations: John and Sara has three projects for children to provide food and education for those that live in the slums. Amazing couple and work that they are doing.

MIDDLE EAST - Andy and Erica they provide jobs and education as they share the gospel in a sensitive Moslem country.

BOLIVIA - Jonathan and Kara Asbun they provide support to children in orphanages and have an outreach to the women in the Red Light District.

JEWISH MINISTRIES- H4Y gives to several Messianic ministries that supports the gospel of Jesus going to the Jewish community and to help support Israel, also to teaching the body of Christ about their Jewish roots in the scriptures and how to grow in wisdom and understanding concerning knowing the Jewish Messiah.

CAMBODIA - Kimson takes in youth who are on the streets and gives them a home and family with his own. H4Y supports the work being done.

NEW BEGINNING WOMENS CLINIC - H4Y supports this clinic which provides an alternative to abortion here in the city of Siloam Springs

NICOLES HOUSE - H4Y supports this local ministry that helps transition women coming out of prison with the power of the gospel and life changing love.

Emotionally Healthy

The church has in many ways settled for a shallow Christianity. We rarely have churches filled with mature disciples. What's more challenging is we are being over taxed to minister to people who are living in fear, anxiety and depression.

Having spent years ministering to people from various broken backgrounds Terance and AuDera know firsthand the challenges. Today they teach a course that focuses on building healthy relationships with God and with one another so that individuals are free to break the cycle of fear, anxiety and depression. Also, breaking the cycle of being someone on the outside who is different from the person on the inside.

This spring a new 8-week course will begin for emotional healthy spirituality at the Hope For You office in Rogers. Please contact us if you are interested in signing up for the course.

EMOTIONALLY HEALTHY SPIRITUALITY

Introducing people to a transformative spirituality with God.

EMOTIONALLY HEALTHY RELATIONSHIPS

Practical skills to launch people into a transformative spirituality with others.

Support Hope For You

Since starting Hope For You in 2006 we have never asked for donations. This ministry began as an outreach of AuDera and Terance's love for missions and taking the scripture to care for widows and orphans seriously. They took a portion of their income each month and supported those they could. Over the years a few people have asked how they could participate and the ministry has grown.

In 2024 we say thank you to those who have supported us over the years, but H4Y is reaching out to others to ask for help in increasing the life flow to others. We have a clear mandate from the Lord this year to accomplish some new things and it will definitely take help from others both serving and giving. H4Y uses PayPal because it is one of the safest platforms on the planet for exchanging money. Dry Bones Awakened

Several years ago Terance received a vision from the Lord. In the vision he was taken to a cave. He then went into the cave where he saw numerous skeletons laying around against the wall of the cave. One particular skeleton got his attention and he walked over to it. It was as though it was looking at him. He was afraid in this eerie moment, but he knew he was supposed to touch this skeleton. Ever so slowly, he reached out his hand to touch the arm of the skeleton. When he got a few inches away, in an instant the skeleton grabbed him.

I believe 2024 is the year that this begins to take place. What looks like has been dry and dead for years will now suddenly take hold of us. It's a time when what seemed impossible will begin to happen. Many have known that they were called to much more than they have done. The doors will begin to swing open this year to fulfill His purposes.

THE POWER OF LIFE COACHING

H4Y has a life coach as part of the leadership team. We'd like to make these services available to our community. Rochen Baker is a seasoned Executive Recruiter and Career Strategist. In her role as a life/career coach, she is fortunate to support individuals in not only navigating the challenges of today's fast-paced and competitive job market, but also in addressing broader aspects of life, particularly for those in mid-life. The journey through the mid-career phase can be overwhelming when undertaken solo, and that's where her guidance comes into play. She can be reached at rochen@anewlifeconsulting.com.
